THE DEVELOPMENT

- 160 brand new homes on the site of the former Nestle Factory
- Available Summer 2020

FEATURES

Hayes Village brings a brand new residential quarter to west London, surrounded by parklands and transport links including the Crossrail, making it the perfect place for growing families and city commuters alike. This development is one of the largest regenerations in the area. The development will include a new public park, gym, running track and lots of green open spaces and play areas. A previously inaccessible part of the canal will be opened up for the public to enjoy and there will be space for a shop or cafe.
